It's going to be a beautiful sunny early spring like day across ski country with temperatures edging up to around the +3 degree celsius mark. Most alpine areas made snow last night and snow surfaces are all reported today as machine groomed granular snow. Although there is very little natural snow across far southern Ontario you can hit the cross country trails in the central and northern snow belt regions to the lee of Georgian Bay.

XC = cross country

MANSFIELD AND ORANGEVILLE REGION

Hockley Valley – Open today: 9:00 am – 10:00 pm, Open tomorrow, Machine groomed granular, Base: 25 cm, New snow: 0 cm, Snowmaking last night: no, Snowmaking today: no, Lifts: 4, Slopes: 14/15, Half pipe: not available, Terrain park: open, Tube park: not available
